Reminders on Placing Orders

Make sure when you are ordering Open Order items you are using the most current form. The date is located on the lower left hand corner and also on the top of the form.

If you submit more than one order form per month, be sure to specify on the second order form that it is an add-on. If you do not specify that it is an add-on, the most recent order will be processed for delivery.

Holiday Deliveries/Inclement Weather

Due to November and December being short months some of the deliveries for December will not be made until January. FDA is doing the best they can to deliver to all schools in a timely fashion

It is that time of the year when weather can get bad and schools close. FDA trucks will still be attempting deliveries. Please work with FDA on appointments in the event of bad weather so all deliveries can be made in a timely fashion.
